The amendments to PC 851.87, 851.90, 1000.4, 1001.9, and 11105 generally conform to other changes in these laws (*see Diversion and Deferred Entry of Judgment*) and facilitate those remedies.

Arrestees Can be Taken to Mental Health Facilities.

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB238

Stats 2017, Ch. 566 (SB 238), Effective October 7, 2017

Amends PC 849 and 851.6. (See “Evidence” for an unrelated section of this bill)

Before this bill, PC 849, subd. (b), and 851.6 provided, inter alia, that an arrested person could be released without being taken before a magistrate, and be issued a certificate deeming this to be only a detention, when “[b)] (1) “The officer is satisfied that there are insufficient grounds for making a criminal complaint ... and [(b)](3) The person was arrested only for being under the influence of a controlled substance ... and [was] delivered to a facility or hospital for treatment and no further proceedings are desirable.”

This bill added:

“[(b)](5) The person was arrested and subsequently delivered to a hospital or other urgent care facility, including, but not limited to, a facility for the treatment of co-occurring substance use disorders,

for mental health evaluation and treatment, and no further proceedings are desirable.”

Also 851.6 is amended to add people taken in under new PC 849, subd. (b)(5), to the list of people who get a certificate stating this was a detention only.

Controlled Substances

Three-Year Priors Almost Entirely Eliminated

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB180

Stats 2017, Ch. 677 (SB 180)

Amends HS 11370.2

From the Legislative Counsel’s Digest:

[Before this bill, the] law impose[d] on a person convicted of a violation of, or of conspiracy to violate, specified crimes relating to controlled substances, a sentence enhancement [of a] 3-year term for each prior conviction of, or for each prior conviction of conspiracy to violate, specified controlled substances crimes, including possession for sale ... of opiates, opium derivatives, and hallucinogenic substances.

This bill ... instead limit[s] the above sentence enhancement to only be based on each prior conviction of, or on each prior conviction of conspiracy to violate, the crime of using a minor in the commission of offenses involving specified controlled substances.

Eliminated are priors for HS 11351, 11351.5, 11352, 11378, 11378.5, 11379, 11379.5, 11379.6, 11380, 11380.5, or 11383,

Added are priors for HS 11380.

At this writing, the courts have not settled on the extent, if any, to which this law is retroactive to convictions occurring before January 1, 2018.

Cannabis: Establishment of a Single Regulatory System.

http://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201720180SB94

Stats 2017, Ch. 27 (SB 94).

The 184 sections of this bill affect nearly as many Sections of the BP, Fish and Game, Food and Agricultural, HS, Revenue and Taxation, VC, and Water Codes.

From the Senate Floor Analysis for June 9, 2017:

This bill establishes a single system of administration for cannabis laws in California.... [It] conforms [the Medical Cannabis Regulation and Safety Act of 2015] and [the Adult Use of Marijuana Act of 2016 (prop. 64)] into a single system.... Among other things, the bill creates ... a process for collecting data related to driving under the influence.... [This] bill creates one regulatory system for commercial cannabis activity, the “Medicinal and Adult – Use Cannabis Regulation and Safety Act.”

Vehicle Code section 23222 is amended (by this Bill’s section 174) to create **a new infraction** when a person has opened cannabis or cannabis products in a car. There is an exemption for a qualified patient, under specified conditions.

This bill generally replaces references to “marijuana” with “cannabis.”

If you are interested in any aspect of cannabis (marijuana) and California law, start with this bill.

(Under Stats 2017, Ch. 232 (SB 65) smoking MJ in a moving car an infraction.)

Custodial Officers

Custodial Officers Can be Approved to Carry Less-Than-Lethal Firearms

http://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201720180SB324

.Stats 2017, Ch. 73 (SB 324)

Amends PC 831.

PC 831, subd. (a) says “A custodial officer is a public officer, not a peace officer,... who ... maintain[s] custody of prisoners and performs tasks related to ... a local detention facility

Before this bill, custodial officers were not allowed to carry firearms on duty.

This bill says they “may use a firearm that is a less lethal weapon, as defined ... in the performance of [their] official duties, at the discretion of the employing sheriff or chief of police ... or his or her designee.” Training is required.

Diversion and Deferred Entry of Judgment (DEJ)

See also Arrest and Detention for arrest records of D’s diverted or on DEJ.

PC 1000 Changed to Pre-Trial Diversion

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180AB208

Stats 2017, Ch. 778 (SB 208)

Amends PC 1000, 1000.1, 1000.2, 1000.3, 1000.4, 1000.5, and 1000.6; adds 1000.65

PC 1000 has been, since 1997, a deferred entry of judgment program, whereby a person charged with any listed drug offenses, some of which were felonies, pled guilty, and was placed in a drug treatment program that lasted 18 months to 3 years. On successful completion, the case was dismissed and the arrest deemed not to have occurred; on failure, the person was sentenced.

The program is now a pretrial diversion program, provided the person gives up the right to a jury trial; so if they fail the program, they are entitled to a court trial.

The list of eligible offenses has not changed, but, due to 2014’s Prop. 47, they are now all misdemeanors.

The program length is decreased and is now 12 to 18 months, but D can ask to extend the program.

Previously, a prior drug convictions at any time disqualified the person. Now the drug conviction must have occurred in the last five years, and must be one not on the current list of eligible offenses.

Previously, a prior PC 1000 program in the last five years made a person ineligible for a new program. Now that is not a disqualifier.

Previously, a prior failure to successfully complete probation or parole was a disqualifier. Now that is not a disqualifier.

[Note by GB: These changes may cause PC 1000 to be used by Ds much more often than Drug Prop 36 (Passed in 2000), PC 1210, 1210.1, et seq., which provides for treatment, not jail, for those who pled guilty to nonviolent drug possession offenses.]

The grounds for termination of the PC 1000 drug program, listed in PC 1000.3, are somewhat reduced.

On successful completion, the arrest record can be sealed as provided in new PC 851.92 (see *Arrests and Detentions*, above).

Added to the PC 1000 program are explicit statements that were always the law, but that previously were found only in the Business and Professions Code, that most agencies established under that Code (such as medical, legal, and many others) can consider the circumstances of a PC 1000 diversion in most decisions concerning professional licenses.

Military Diversion Includes DUIs.

http://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201720180SB725

Stats 2017, Ch. 179 (SB 725)

Amends PC 1001.80.

The Legislative Counsel's Digest summarizes the basic program:

[PC 1001.80, enacted in 2014] authorizes a court, with [D's] consent ..., to postpone prosecution, either temporarily or permanently, of a misdemeanor and place [D] in a pretrial diversion program, if [D] was, or currently is, a member of the [U.S.] military and ... may be suffering from sexual trauma, traumatic brain injury, post-traumatic stress disorder, substance abuse, or mental health problems as a result of ... military service....

It was unclear, however, if this included DUIs. Two cases decided this differently: *Hopkins v. Superior Court* (2016) 2 Cal. App. 5th 1275 (DUI included), and *People v. Van Vleck v.* (2016) 2 Cal.App.5th 355 (DUI not included).

This bill resolves that: DUI is included, but DMV can still act against D's driver's license. Added to PC 1001.80 is new subdivision (I):

(I) [A] misdemeanor ... for which [D] may be [diverted] includes a misdemeanor [for] [VC] 23152 or 23153.... However, [DMV] can take administrative action concerning the driving privileges of [D].

Amended PC 29810

PC 29810, effective and operative Jan. 1, 2018 [emphasis and notes added]:

(a)(1) Upon conviction of any offense that renders a person subject to [PC] 29800 [prohibiting certain persons, such as felons, from ever possessing guns] or [PC] 29805 [prohibiting certain persons, such as convicts of misdemeanors involving violence, from possessing guns for ten years], the person shall relinquish all firearms he or she owns, possesses, or has under his or her custody or control in the manner provided in this section.

(2) The court shall ... instruct [D] that he or she is prohibited from owning, [etc.], any firearms, ammunition, [etc.] and shall order [D] to relinquish all firearms in the manner provided [here]. The court shall also provide [D] with a Prohibited Persons Relinquishment Form [PPRF] developed by [DOJ].

(3) Using the [PPRF], [D] shall name a designee [with] power of attorney for... transferring or disposing of any firearms. The designee shall be either a local law enforcement agency or a ... third party who is not prohibited [from guns] The designee shall ... surrender the firearms to ... a local law enforcement agency, sell [them] to,... or transfer [them] for storage to[,] a firearms dealer

(b) The [PPRF] shall do all of the following:

(1) Inform [D] that he or she is prohibited from owning, [etc.], any firearms, ammunition, [etc.]..., and that he or she shall relinquish all firearms through a designee [as specified].

(2) Inform [D] that any cohabitant [with] firearms must store those [as required by] [PC] 25135.

(3) Require [D] to declare any firearms ... owned, [etc.] *at the time of [the] conviction*, and require [D] to describe [them] and provide ... information about [their] location ... to enable a designee or law enforcement officials to locate [them].

(4) Require [D] to name a designee, if [D] ... owned, [etc.] any firearms *at the time of [the] conviction*, and grant the designee power of attorney for ... transferring or disposing of [them].

(5) Require the designee to ... consent ... and, except a designee that is a law enforcement agency, to declare under penalty of perjury that he or she is not prohibited from possessing any firearms under state or federal law.

(6) Require the designee to state the date each firearm was relinquished and the name of the party to whom it was relinquished, and to attach receipts from the law enforcement officer or licensed firearms dealer who took possession of [them].

(7) Inform [D] and the designee of the obligation to submit the completed [PPRF] to the ... Probation Officer [PO] within the time periods specified in subdivisions (d) and (e).

(c) (1) When [D] is convicted ..., the court shall... assign... a [PO] to investigate whether the Automated Firearms System [AFS] or other credible information, such as a police report, reveals that [D] owns, [etc.] any firearms....

(2) [and (3) Prior to final disposition..., the ... [PO] shall report ... whether [D] has ... relinquish[ed] all firearms..., and ...submit[ed] [the PPRF] [and] ..., the court shall make findings concerning [this].

(4) If the court finds probable cause that [D] has failed to relinquish any firearms..., the court shall order the search for ... [them] at any location where [there is] probable cause

(5) Failure by [D] to timely file the completed [PPRF] with the ... [PO] [is] an infraction punishable by [up to] \$100....

(d) [This subdivision contains long, complex procedures for Ds and their designees to follow if D doesn't remain in custody at any time within the five-day period following conviction] ¶...¶

(e) [This subdivision contains long, complex procedures for Ds and their designees if D is in custody at any point within the five-day period following conviction.] ¶...¶

(f) For good cause, the court may shorten or enlarge the time periods ... or allow an alternative method of relinquishment.

(g) [D] shall not be subject to prosecution for unlawful possession of any firearms declared on the [PPRF] if the firearms are relinquished as required.

(h) [Provisions for a firearm owned by D's "cohabitant."].

(i) ... if the [AFS] indicates that the firearm was ... lost or stolen.... [it] shall be restored to the lawful owner, [when] its use as evidence [is over]....

PC 29810 calls for relinquishment of firearms, but not of ammunition.

Does the PPRF call for answers that could be incriminating, both in D's identification, and in the firearms themselves? The DOJ form (BOF 1022; to be released on Jan. 1, 2018) calls for identification information, including citizenship and alien number, and for identification of firearms, including serial number.

Subdivision (g) of PC 29810 provides immunity for "unlawful possession." Does that stretch to "receipt of known stolen property"? It does not seem to stretch to theft of the gun, or to using the gun illegally, such as in crimes.

Surely this is a compelled disclosure: it is required by statute upon conviction, failure to return the form is an infraction, and, it must normally be completed before sentencing or disposition with no guarantee that sentence will remain the same regardless of completion or of the answers.

In *People v. Garcia* (2017 2 Cal.5th 792, 798 the defendant contended that the requirement of his probation, pursuant to PC 1203.067, subd. (b)(3), that he take part in sex offender management, violated his Fifth Amendment right against self-incrimination. The court disagreed, because his statements could not be used against him: “We conclude that the condition mandated by section 1203.067, subdivision (b)(3), directs defendant to answer fully and truthfully all questions posed to him as part of the sex offender management program. But because we deem his responses compelled within the meaning of the Fifth Amendment, they cannot lawfully be used against him in a criminal proceeding. (*Minnesota v. Murphy* (1984) 465 U.S. 420, 435, fn. 7.... (*Murphy*)”

Footnote 7 of *Murphy*, states: “Our cases indicate ... that a state may validly insist on answers to even incriminating questions and hence sensibly administer its probation system, as long as it recognizes that the required answers may not be used in a criminal proceeding and thus eliminates the threat of incrimination.”

It remains to be seen, however, how this will work out in practice.

Incompetent to Stand Trial (IST)

IST = Mentally Incompetent to Stand Trial (“1368”)

Before this bill, if a D (1) who was charged with a felony involving death, great bodily injury (GBI), or a serious threat to the physical well-being of another person, (2) was found IST, (3) was still IST after the maximum term of commitment (generally, 3 years), (4) there had been an indictment or an information, and (5) was still dangerous, *then* the IST commitment had to be ended, and the person either released, placed under another type of civil commitment (which was rarely available), or placed on a “Murphy Conservatorship,” a special 2-year C-ship under WI 5008, subd. (h)(1(B)).

The problem this new law addresses is that if there had not been an indictment or information filed, the person generally had to be released.

Under this new law, if D is charged with a felony complaint involving death, GBI, or a serious threat, P can, before D is found IST, request a “determination of probable cause;” which is not a preliminary hearing. If there is such a determination, and the above conditions are met, then even though there has not been an indictment or information, D can be placed on a Murphy.

Stats 2017, Ch. 302 (AB 1541)

This bill rewrites CCP 223, as follows:

(a) [The] trial judge shall conduct an initial examination of prospective jurors.... [Prior] to voir dire, the trial judge shall consider the form and subject matter of voir dire questions.... [The] parties may submit questions to the trial judge [who] may [ask them] as the trial judge deems proper.

(b) (1) ... [C]ounsel ... have the right to examine, by oral and direct questioning, any ... prospective jurors. The scope of the examination ... shall be within reasonable limits prescribed by the trial judge ... subject to the provisions of this chapter.... [The] trial judge shall permit liberal and probing examination calculated to discover bias or prejudice with regard to the circumstances of the particular case or the parties.... The fact that a topic has been included

in the trial judge's examination shall not preclude appropriate followup questioning in the same area by counsel. The trial judge should permit counsel to conduct voir dire examination without requiring prior submission of the questions unless a particular counsel engages in improper questioning.

(2) The trial judge shall not impose specific unreasonable or arbitrary time limits or establish an inflexible time limit policy for voir dire. As voir dire proceeds, the trial judge shall permit supplemental time for questioning based on individual responses or conduct of jurors that may evince attitudes inconsistent with suitability to serve as a fair and impartial juror in the particular case.

(3) ... [An] "improper question" is any question that, as its dominant purpose, attempts to precondition the prospective jurors to a particular result or indoctrinate the jury.

(c) In exercising ... discretion, the trial judge shall consider ...:

(1) The amount of time requested by trial counsel.

(2) Any unique or complex legal or factual elements ...

(3) The length of the trial.

(4) The number of parties.

(5) The number of witnesses.

(d) Voir dire of any prospective jurors shall, where practicable, take place in the presence of the other jurors in all criminal cases, including death penalty cases. Examination of prospective jurors shall be conducted only in aid of the exercise of challenges for cause.

(e) The trial judge shall ... consider reasonable written questionnaires when requested by counsel. If a questionnaire is utilized, the parties shall be given reasonable time to evaluate the responses to the questionnaires before oral questioning commences.

(f) ... [At] the earliest practical time, the trial judge in a criminal trial shall provide the parties with the list of prospective jurors in the order in which they will be called.

(g) The trial judge's exercise of discretion ..., including any limitation on the time ... allowed for direct questioning of prospective jurors by counsel and any determination that a question is not in aid of the exercise of challenges for cause, is not cause for a conviction to be reversed, unless [that] results in a miscarriage of justice....

Juvenile Justice

Under 16s "shall consult with legal counsel" before custodial questioning

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB395

Stats 2017, Ch. 681 (SB 395)

Adds WI 625.6.

Sunsets Jan. 1, 2025.

Here is an extended excerpt from new WI 625.6:

(a) Prior to a custodial interrogation, and before the waiver of any *Miranda* rights, a youth 15 years of age or younger shall consult with legal counsel in person, by telephone, or by video conference. The consultation may not be waived.

(b) The court shall, in adjudicating the admissibility of statements ... consider the effect of failure to comply with subdivision (a).

(c) This section does not apply to the admissibility of statements of a youth 15 years of age or younger if ...

(1) The officer who questioned the youth reasonably believed the information ... sought was necessary to protect life or property from an imminent threat. [*and*]

(2) The officer's questions were limited to those ... reasonably necessary to obtain that information.

(d) This section does not require a probation officer to comply ... in the normal performance of ... under [WI] 625, 627.5, or 628.

(e) [The Governor must convene a panel of at least seven experts to study this statute and make reports.]

(f) This section [sunsets on] January 1, 2025.

What is the remedy for violation?

Cal. Const. Art. I, § 28, subd. (f), para. (2), says,

Except as provided by statute hereafter enacted by a two-thirds vote of the membership in each house of the Legislature, relevant evidence shall not be excluded in any criminal proceeding... or in any trial or hearing of a juvenile for a criminal offense, whether heard in juvenile or adult court.

In re Lance W. (1985) 37 Cal.3d 873, 879, held that this provision, enacted by Prop. 8 in 1982, “abrogated ... a defendant's right to object to and suppress evidence seized in violation of the California, but not the federal, Constitution.

According to the Senate Public Safety Committee’s “2017 Bill Summary,” the final Assembly floor vote was 46 to 28, which is short of 2/3.

So, while violation of this new section does not automatically result in suppression on Fourth Amendment grounds, the court can consider violation in deciding whether the statement was taken in violation of Constitution.

The statute does not prohibit the court considering a violation for other purposes, such as the weight and credibility of statements.

Many Juvenile fees and costs eliminated or curtailed.

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB190

Stats 2017, Ch. 678 (SB 190)

Amends GC 27757; WI 207.2, 332, 634, 652.5, 654, 654.6, 656, 659, 700, 729.9, 729.10, 871, 900, 902, 903, 903.1, 903.2, 903.25, 903.4, 903.45, 903.5, and 904; and repeals WI 903.15

SB 190 is a sweeping decrease in the fees and costs that minors, and their parents and guardians must pay due to criminal court or juvenile court involvement.

For young adults, ages 18 to 21, (and for older adults still under the Juvenile Court), and for amendments to PC 1203.1ab, 1203.016, and 1208, see “Money....”

WI 659 had required that parents or guardians whose child faces a juvenile court petition, must get a notice that they and the minor are entitled to legal assistance, and that “in the event counsel or legal assistance is furnished by the court, the parent or guardian or adult relative shall be liable to the county, to the extent of his, her, or their financial ability, for all or a portion of the cost thereof.”

To that requirement is now added the phrase
but [the parent or guardian] shall not be liable for the cost of counsel or legal assistance furnished by the court for purposes of representing the minor.

Statutory changes to WI 634, 652.5, 654, 654.6, 656, and 700, have eliminated the liability of a parent or guardian to pay many fees and costs such as for costs of supervision under WI 654 or 654.2, for certain other supervision, or certain service programs, care facility, and crisis resolution homes.

Minors ordered into drug treatment under WI 729.9 no longer must pay for that.

Parents and guardians no longer can be charged fees if Minor is ordered into drug and alcohol treatment under WI 729.10.

In WI 871, the minor can be assessed costs for a damaged or discarded electronic monitor. But before this law, the minor had to request an assessment of ability to pay. That assessment no longer must be requested; it is now automatic.

In WI 900, a subd. (b) was added:

(b) [An] order providing for the care and custody of the ward or other minor [for whom a wardship petition is filed] shall direct that the whole expense of support and maintenance of the ward or other minor ... be paid from the county treasury.

All orders made pursuant to this subdivision shall state the amounts to be paid from the county treasury, and those amounts shall constitute legal charges against the county.

The following language has been added to GC 27757, and WI 902, 903, 903.2, 903.25; 903.4 903.5; 904:

(1) This **section** does not apply to a minor who is adjudged a ward of the juvenile court, who is placed on probation pursuant to [WI] 725 ..., who is the subject of a petition that has been filed to adjudge the minor a ward of the juvenile court, or who is the subject of a program of supervision undertaken pursuant to [WI] 654

(2) Notwithstanding paragraph (1), this **section** applies to a minor who is designated as a dual status child pursuant to [WI] 241.1, for purposes of the dependency jurisdiction only and not for purposes of the delinquency jurisdiction.

That same language, except the word “paragraph” is used instead of the highlighted word “section,” was added to WI 903.1, subd. (a)(1); and 903.45, subd. (b)(1).

WI 903.15 was repealed.

The effect of the changes to the GC and WI sections just mentioned is that for those groups, fees and costs, such as the costs of detention in a juvenile facility, legal services, probation supervision, home supervision, electronic monitoring, costs of feed, shelter, and care of a minor at a juvenile facility after the parent or guardian gets notice of release, and cost of out-of-home placement has been eliminated.

Here are extended excerpts from added WI § 208.3

(3) Room confinement shall not be used [if] it compromises the mental and physical health of the minor or ward.

(c) [M] may be held up to four hours in room confinement. After [that] ..., staff shall do one or more of the following:

(1) Return [M] to general population.

(2) Consult with mental health or medical staff.

(3) Develop [a] plan ... to reintegrate [M] to general population.

(d) If [this] must be extended beyond four hours, staff shall ...:

(1) Document the reason ..., the date and time [M] was first placed in room confinement, and when [M] is ... released

(2) Develop an individualized plan [with] goals and objectives ... to reintegrate [M] to general population.

(3) Obtain documented authorization by the facility superintendent or ... designee every four hours thereafter.

(e) This [does not] limit ... single-person rooms or cells ... and does not apply to normal sleeping hours.

[(f) – (j)] This does not apply to holding, or adult, facilities; nor during emergencies; nor to medical treatment.

Adds WI 210.6

This bill all but ends the spectacle of juveniles being paraded on city streets, or around courthouses in public view, while handcuffed and shackled.

From new WI 210.6 [emphasis added]:

(a) (1) Mechanical restraints, including, but not limited to, handcuffs, chains, ... cloth or leather restraints, ... may be used on a juvenile detained in or committed to a local secure juvenile facility... *during transportation outside of the facility* only upon a determination ... by the probation department, in consultation with the transporting agency, that ... restraints are necessary to prevent physical harm to the juvenile or another person or due to a substantial risk of flight.

(2) If ... restraints are necessary, the least restrictive form ... shall be used consistent with the ... security needs of each juvenile.

(3) A county probation department that chooses to use mechanical restraints other than handcuffs on juveniles shall establish procedures for the documentation of their use, including the reasons for the use of those mechanical restraints.

(4) This ... does not apply to mechanical restraints used by medical care providers [during] medical care or transportation.

(b) (1) Mechanical restraints may only be used *during a juvenile court proceeding* if the court determines that the individual juvenile's behavior in custody or in court establishes a manifest need [for them] to prevent physical harm to the juvenile or another person or due to a substantial risk of flight.

(2) The burden to establish the need for mechanical restraints pursuant to paragraph (1) is on the prosecution.

(3) If the court determines that ... restraints are necessary, the least restrictive form ... shall be used and the reasons for the use of [them] shall be documented in the record.

Own Recognizance Release

Felony arrestees, FTAs, pretrial release programs

http://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201720180AB789

Stats 2017, Ch. 554, (AB 789)

Amends PC 1319.5

This is the first mention in the O.R. statutes of pretrial release programs.

PC 1319.5 lists a number of situations in which a person with a specified history of FTA's, and who is now arrested for a new offense, cannot be granted an O.R. without a court hearing.

This bill changes the mix of those situations, permitting some releases under the auspices of pretrial release programs.

The history of FTAs specified is that the person has failed to appear in court, resulting in a warrant, three or more times over the last three years (except for VC infractions). PC 1319.5, subd. (b)(2). That specification is not changed.

Before this bill, people with that specified FTA history could not be released O.R. without a court hearing, if their new arrest was for any of the following (PC 1319.5, subd. (b)(2) former (A) to (F)):

- (A) Any felony. [Modified in the new law]
- (B) Any violation of the STEP [gang] Act. PC 186.20 et seq. (unchanged)
- (C) Any crime in PC's assault and battery chapter (PC 240 et seq.) (unchanged)
- (D) A violation of Section 484 (theft). (not listed in the new law)
- (E) A violation of Section 459 (burglary). (limited to residential burglary)
- (F) Any offense where D was armed or personally used a gun. (unchanged)

This bill changes that mix, and adds pretrial release programs, so that now the person with the specified FTA history who can't be release O.R. without a hearing, is as follows, *with an exception for pretrial release programs at the second clause of (G)*:

- (A) Any violation of the [STEP (gang)] Act [PC 186.20 et seq.]
- (B) Any [crime in PC's assault and battery chapter (PC 240 et seq.)]
- (C) A violation of Section 459 (residential burglary). [Sic]
- (D) Any offense in which [D] is alleged to have been armed with or to have personally used a firearm.
- (E) Any offense involving domestic violence. [Added in this new law]
- (F) Any offense in which [D] is alleged to have caused great bodily injury to another person. [Added in this new law]
- (G) Any other felony offense not described in subparagraphs (A) through (F) ..., unless [D] is released pursuant to a court-operated pretrial release program or a pretrial release program with approval by the court....

Appointment of interpreters in court proceedings.

The new Rule replaces a previous Rule of the same number, **2.893**.

Subdivision (a) states “This rule applies to all trial court proceedings in which the court appoints an interpreter for a Limited English Proficient (LEP) person.”

The new rule has six subdivisions, and is 6 full pages long.

Mental Competency: “Brief Preliminary Evaluation”.

Rule 4.130 amended

The amended rule permits “a brief preliminary evaluation of the defendant’s competency if (A) The parties stipulate to a brief preliminary evaluation; and (B) The court orders the evaluation in accordance with a local rule of court that specifies the content of the evaluation and the procedure for its preparation and submission to the court.” [Rule 4.130, amended Subdivision (a)(3).]

When a full evaluation is ordered, amended Subdivision (d)(2), with paragraphs (A) to (G), takes over a full page to specify the report’s required contents.

Sentencing Rules of Court Updated

Title 4, Division 5, Rules 4.401 to 4.480D: Renamed as “Felony Sentencing Law.”

Here are the main changes:

Rule 4.403 now clarifies that “These rules apply to ... (2) an indeterminate [usually, life] sentence ... only if it is imposed relative to other offenses with determinate terms or enhancements.”

Rule 4.405(12) defines “Risk/needs assessment” as “a standardized, validated evaluation tool designed to measure an offender’s actuarial risk factors and specific needs that, if successfully addressed, may reduce the likelihood of future criminal activity.” This assessment is referred to in several of the Felony Sentencing Rules, mainly in relation to probation. [See, e.g., Rule 4.411.5(a)(8); Rule 4.413(c)(3); and Rule 4.415(c)(8); See also “New Standard of Judicial Administration 4.35,” below.]

Rules 4.428 and 4.447 clarify the procedures for and options concerning, sentencing, and striking or dismissing, or staying, of, enhancements.

Standard of Judicial Admin. 4.35 “[U]se of risk/needs assessments at sentencing.”

Risk/Needs assessments are defined at new Rule of Court 4.405(12), above. They are becoming increasingly common, particularly in probation decisions. See, e.g., PC 1229, subd. (c)(2) discussing a “risk and needs assessment.”

This 3½-page Standard, with subdivisions (a) to (g) (and with an additional 1½-page Advisory Committee Comment) covers proper uses twice, at Subds. (a) (titled “purpose”) and (d) (titled “proper uses”), and “Improper uses” at Subd. (e). Subd. (e)(1) says “The results of a risk/needs assessment should not be used to determine: (A) Whether to incarcerate a defendant....”

Search and Seizure

Two new grounds for issuing Search Warrants.

Prop 63: <http://vig.cdn.sos.ca.gov/2016/general/en/pdf/complete-vig.pdf>

AB 539:

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180AB539

1. Prop. 63 § 10.1 (Nov. 8, 2016 Gen. Elec.)

2. Stats 2017, Ch. 342 (AB 539).

Both amend PC 1524.

PC 1524, subd. (a) states that “A search warrant may be issued upon any of the following grounds:” Most of the grounds on the list are familiar, e.g., “(1) When the property was stolen or embezzled. [and] (2) When the property or things were used as the means of committing a felony.”

Prop.63 added

(15) Beginning January 1, 2018, the property or things to be seized include a firearm that is owned by, or in the possession of, or in the custody or control of, a person who is subject to the prohibitions regarding firearms pursuant to Section 29800 or 29805, and the court has made a finding pursuant to paragraph (3) of subdivision (c) of Section 29810 that the person has failed to relinquish the firearm as required by law.

PC 29810, subd. (c)(4), as amended by Prop. 63 to be operative on January 1, 2018, provides that

If the court finds [pursuant to PC 29810, subd. (c)(3)] probable cause that [D] has failed to relinquish any firearms as required ..., the court shall order the search for and removal of any firearms at any location where the judge has probable cause to believe [they] are....

For more on PC 29810, see “Firearms.”

AB 539 permits a search warrant:

(18) When the property or things to be seized consists of evidence that tends to show that a violation of paragraph (1), (2), or (3) of subdivision (j) of Section 647 has occurred or is occurring.

PC 647, subd. (j), paragraph (1) is misdemeanor looking, without or without aid of an instrument, into an area where a person has a reasonable expectation of privacy, such as a bathroom or a changing booth, with intent to invade privacy.

PC 647, subd. (j), paragraph (2) is misdemeanor using an instrument, such as a camera, to view under or through another person's clothing, without consent, to appeal to D's sexual desires, and to invade the other's reasonable expectation of privacy,.

PC 647, subd. (j)(3) is a similar misdemeanor invasion of privacy offense.

(PC 647, subd. (j)(4), sometimes called "revenge porn," of distributing private sexual images of another person, is *not* covered.

County Jail Felony Sentences in Two Counties: Where Served? Resolved?

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB670

Stats 2017, Ch. 287 (SB 670)

Amends PC 1170 and 1170.3

One Realignment issue still unresolved, until now, was: in which county's jail was D to be incarcerated when convicted of County Jail Felonies in two different counties? This bill has probably resolved that, although a new Rule of Court remains to be written.

Added to PC 1170, subd. (h) is a new paragraph (6) [the old paragraphs 6 and 7 are renumbered as 7 and 8] as follows:

(6) When the court is imposing a judgment pursuant to this subdivision concurrent or consecutive to a judgment or judgments previously imposed pursuant to this subdivision in another county or counties, the court rendering the second or other subsequent judgment shall determine the county or counties of incarceration and supervision of the defendant.

And added to PC 1170.3, is new paragraph (a)(7), requiring the Judicial Counsel to write a new rule to help the court:

(7) Determine the county or counties of incarceration and supervision when the court is imposing a judgment pursuant to subdivision (h) of Section 1170 concurrent or consecutive to a judgment or judgments previously imposed pursuant to subdivision (h) of Section 1170 in a county or counties.

The Judicial Council has not yet (Dec. 27, 2017) written that rule.

Sex Offenses

Sex Offender Registration (PC 290): Three Tiers, Beginning 2021.

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180SB384

Stats 2017, Ch. 541 (SB 384)

Amends 290, 290.006, 290.008, 290.45, 290.46, 290.5, and 4852.03, 9002 and 13125

These changes won't be “operative” [oper.] until Jan. 1, 2021, July 1, 2021, or Jan. 1, 2022, but **they already effect all PC 290 cases.**

WARNING This law may be changed before Jan. 1, 2021. D must be told that registration is currently for life.

D. is in **tier 3** for any of: **(A)** An already-registered D is convicted of a violent felony (PC 667.5, subd. (c)), for which registration is required under PC 290, subd. (c), or 290.006. **(B)** D. is a Sexually Violent Predator; **(C)** D is convicted of any of 16 listed sex offenses. **(D)** D's risk level on the State Authorized Risk Assessment Tool for Sex Offenders (SARATSO) is “well above average risk” as defined. **(E)** D. is a habitual sex offender under PC 667.71. **(F)** D. was convicted of PC 288, subd. (a), in 2 cases; **(G)** D. got

“15 to 25 years to life” under PC 667.61. (**H**) D. was found not guilty by reason of insanity of a PC 290 crime; (**I**) Conviction was for certain human trafficking sex crimes; (**J**) to (**R**) D. was convicted of any of an additional group of listed sex offenses. (*PC 290, subd. (d)(3), oper. 1-1-21.*)

If D is not in tier 3, D. is in **tier 2** if D. was convicted of a PC 290, subd. (c) crime that is also listed in any of: PC § 667.5, subd. (c); PC § 1192.7, subd. (c); PC § 285; PC § 286 subd. (g) or (h); PC §288a, subs. (g) or (h); PC § 289, subd. (b); or is a 2nd or subsequent violation of PC § 647.6. (*PC 290, subd. (d)(2), oper. 1-1-21.*)

If D. is not in tier 2 or 3, D. is in **tier 1** if D. is required to register for a crime in listed in PC 290, subd. (c), that isn’t violent (PC 667.5, subd. (c) or serious (PC 1192.7, subd. (c)). (*PC 290, subd. (d)(1), oper. 1-1-21.*)

A **juvenile (M)** is in **tier 1** if, after being made a ward, M “discharged or paroled from [CDCR]” for a PC 290, subd. (c) offense *not in* PC 667.5, subd. (c) or PC 1192.7, subd. (c). M is in **tier 2** if, after being made a ward, M “discharged or paroled from [CDCR] for a PC 290, subd. (c) offense that *is in* PC 667.5, subd. (c), or PC 1192.7, subd. (c). (PC 290.008, subd. (d)(1) and (d)(2), oper. 1-1-21.) **There’s no Juv. Tier 3.**

PC 290, subd. (d)(4), oper. 1-1-21 governs tier levels for D’s convicted of registerable sex offenses in **out-of-state, federal, or military** courts.

If D’s tier cannot be “immediately ascertained,” DOJ can place D. in “**tier-to-be-determined category**,” for up to 24 months. (PC 290, subd. (d)(5), oper. 1-1-21.)

The court can, at conviction or sentence, for stated reasons, order **regis. for a crime not in PC 290, subd. (c)**. *Regis. is in tier 1 unless the court orders tier 2 or 3*, after considering 5 listed factors, including the SARATSO score. (*PC 290.006, oper. 1-1-21.*)

Tier 1’s minimum time before a petition to end regis. can be filed is 10 yrs. (PC 290, subd. (d)(1), oper. 1-1-21.) For **juveniles**, the **tier 1 minimum** is 5 yrs. (PC 290.008, subd. (d)(1), oper. 1-1-21.)

Tier 2's minimum time before a petition is 20 yrs. For **juveniles, the min. is 10 yrs.** (PC 290, subd. (d)(2) and 290.008, subd. (d)(2), both oper. 1-1-21.) **But** a petition to end registration for adults in tier 2 can be filed after 10 years *if* D. was under 21 at the incident, and other criteria are met. (PC 290.5, subd. (b)(1) and (b)(2), oper. 1-1-21.)

Tier 3 is lifetime registration. (PC 290, subd. (d)(3), oper. 1-1-21.) **Except** if tier 3 is solely because of the SARATSO score, and other criteria are met, a petition to end registration can be filed after 20 years. (PC 290.5, subd. (b)(3), oper. 1-1-21.)

The **start of the time** before filing a pet., is “release” as defined. Time is **tolled** for incarcerations, placements, or civil commitments, except for arrests not resulting in convictions, adjudications, or supervision-violations. Time is **extended** 1 or 3 years for misd. or felony “conviction of failing to register.”_PC 290, subd. (e), oper. Jan. 1, 2021.

The procedures for filing a **petition to end registration**, including investigation and response, are in PC 290.5, subd. (a)(1) and (a)(2), oper. 1-1-21. If D.A. doesn't request a hearing, and the listed criteria are met, the petition “shall” be granted. (*Ibid.*)

If the D.A. requests a hearing, the court decides whether “community safety would be significantly enhanced by requiring continued registration,” considering certain criteria “including the person's risk levels on SARATSO static, dynamic, and violence risk assessment instruments, if available.” (PC 290.5, subd. (a)(3) oper. 1-1-21.)

If D's petition is denied, the court sets a period of 1 to 5 years before D can file a new petition. (PC 290.5, subd. (a)(4), oper. 1-1-21.)

Tier 3 D's are added to the list of those whose photos and other information, including addresses and SARATSO scores are published on the **Megan's Law web site**. (PC 290.46, subd. (b), oper.1-1-22.) **Tier 2 D's** are also added, with their “community” (not address), and without SARATSO scores. (PC 290.46, subds. (b) & (c) oper. 1-1-22.)

Info re: D's in **Tier 1** only, or on **Juveniles** registering under PC 290.008, are *not* put on the web site by PC 290.46, particularly (b)(1) and (c)(1) oper. 1-1-22.

Those who, as of 1-1-22 are in the “**tier-to-be-determined category**” of PC 290, subd. (d)(5) (oper. 1-1-21), “may” have information about them published as provided in PC 290.46, subds. (b)(1), (c)(1) [if already on], and (c)(2) [if not yet on], oper. 1-1-22.

Possible DOJ exclusion from the web site is limited to crimes with probation against certain family members, not one’s children. (PC 290.46, subd. (d), oper 1-1-22.

SARATSO is State-Authorized Risk Assessment Tool for Sex Offenders. (See PC 290.04 et seq.) To learn more, visit the California Sex Offender Management Board at <http://www.casomb.org/index.cfm?pid=1211> , and the SARATSO web site at <http://www.saratso.org/index.cfm?pid=1350> .

The court no longer can end registration with a Cert of Rehab PC 4852.03, oper. 1-1-21

Added to the mandatory list of PC 290, subd. (c), are PC 261, subds. (5) and (7), making the entire PC 261 registerable.

Statute of Limitations

Wrongful Concealment of Accidental Death

http://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201720180SB610

Stats 2017, Ch. 74 (SB 610)

Amends PC 803.

PC 152 makes it a misdemeanor for a person who knows of an accidental death to actively conceal or attempt to conceal that death. The punishment is up to a year in county jail or a fine of \$1,000 to \$10,000, or both.

This amendment grows out of a case where someone unknown concealed an accidental death; the body was not discovered for months; the family and the community went through great anguish before discovery. A suspect has never been identified, but of course, may still be, and the normal statute of limitations for misdemeanors has lapsed. PC 803, subd. (c), increasing the period for fraud, only applies to felonies.

This new law adds the following new subdivision (m) to PC 803:

(m) [I]f a person actively conceals or attempts to conceal an accidental death in violation of [PC] 152, a criminal complaint may be filed within one year after the person is initially identified by law enforcement as a suspect in ... that offense, provided, however, that in any case a complaint may not be filed more than four years after the ... the offense.

Vehicles and Pedestrians

Walk, Don't Walk, and "Countdown" Signals

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180AB390

Stats 2017 Ch. 402 (AB 390)]

Amends VC § 21456

From the Legislative Counsel's Digest for this bill:

This bill ... authorize[s] a pedestrian facing a flashing "DON'T WALK" or "WAIT" or approved "Upraised hand" symbol with a "countdown" signal to proceed so long as he or she completes the crossing before the display of the steady "DON'T WALK" or "WAIT" or approved "Upraised Hand" symbol."

Violation is an infraction.

Did you know that, before this bill, the violation was to enter the crosswalk during the countdown! I didn't either. The bill's author says the reason for this bill is to bring the law in line with what people thought it was already.

Court Cannot Initiate a CDL Suspension by Reporting FTP to DMV.

http://leginfo.legislature.ca.gov/faces/billNavClient.xhtml?bill_id=201720180AB103

Stats 2017, Ch. § (AB 103 §§ 51 to 54)

Amends VC 13365, 13365.2, 40509, and 40509.2

This won't end California Driver's License (CDL) suspensions by the Department of Motor Vehicles (DMV) for failure to pay fines and fees (FTP), but it will curtail it.

From item 24 of the Legislative Counsel's Digest

[Before this bill] the court [would] notify [DMV] when [D] ... failed to pay a fine or bail, [for] various [VC] violations ..., and require[d] [DMV] to suspend [D's] [CDL] upon receipt of the notice, as specified.

The bill ... repeal[s] the [court's] authority ... to notify [DMV] of a failure to pay a fine or bail, thereby deleting the requirement for [DMV] to suspend a person's driver's license upon receipt of that notice.
